

Brazos Valley RC 3D Fly-In

CD: Ben Beyer (ben_beyer@yahoo.com)

When: May 22nd, 2010 beginning at 9 AM

Where: The BVRC flying field located approximately 4 miles east of Bryan, TX (see flybvrc.com for exact directions)

Cost: \$20/pilot

Any 3D capable plane from foamies to 50% and helis are allowed. There will be flying areas for both planes and helis. Up to 6 pilot stations will be available for the airplane area and 4 for the heli. Mass hover events will be allowed provided agreement for time and duration among airplane pilots. Lunch will be provided at noon. Prizes will be raffled off all day. Camping permitted but no electricity or water hook-ups are available.

Note: Depending upon turnout, designated flying times for airplanes and helis may have to be put into effect. If this occurs, the following year will have helis one weekend and airplanes another weekend.
