

## **Texas City RC Fun Fly, Swap Meet, and Night fly**

Saturday November 12<sup>th</sup> 8:00 am to 10:00 pm at Holland Park 7500 Humble Camp Rd

**Enjoy the fun all day and into the night with the Texas City RC Club**

**Fun Fly!** Fun flying all day! Any size planes welcome to fly. AMA required for pilots

**Swap Meet!** Looking to buy or sell? The year will be coming to a close soon. Don't pack that stuff away that you are not going to use next year. Bring it to the TCRCC swap meet and put some cash in your pocket to buy that winter project you have been wanting. You may even find a great deal on your winter time project!

**Night Fly!** Just because the sun goes down does not mean the fun stops. We will be flying into the night! Get those lights and glow sticks ready because it's time to light up the night!

**Spectators are free!** Bring a lawn chair and blanket and enjoy the show. Every child gets a **FREE** glow bracelet or necklace. Parking is also **FREE**. We appreciate any donations.

Concessions will be available with hotdogs, chop beef sandwiches, chips, and drinks. Pilot landing fee is \$15 for the full day and night of flying. No fee to buy and sell. We have limited tables available. You can sell from your tailgate or bring a table to set up.
