

JETERO "WARBIRDS" RC FLYING EVENT

**Saturday, Oct. 29, 2011
9am until 4pm**

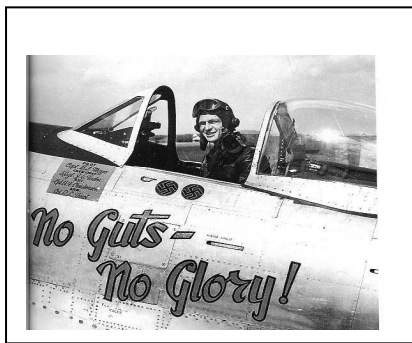

**Jetero Radio Control Model Airplane facility, just north of
FM 1960 about 4 miles East of Huffman. TX.**

See Web Site map: www.jetero.com

This event is limited to replicas of actual airplanes that were either combat aircraft from 1910 until present or were used in the military for military purposes. Military aircraft in civil paint schemes are permitted.

Event sanctioned by the Academy of Model Aeronautics (AMA) **Sanction # 11-1319**. Any AMA legal model warbird is permitted. Aircraft such as turbines that require special equipment, such as fire extinguishers, the pilot must furnish that equipment.

All entrants must be full AMA members, regardless of the model to be flown.

**There will be a Prize Drawing and Pilot Prizes
Awards for People's Choice, 1st, 2nd, and 3rd Places**

Contest (Event) Director
Michael Jackson
